

PROTECT

SKINCEUTICALS SUNSCREENS PROVIDE TRUE BROAD-SPECTRUM UVA/UVB PROTECTION. THIS REVOLUTIONARY LINE IS FORMULATED WITH COMBINATIONS OF HIGHLY EFFECTIVE INGREDIENTS INCLUDING Z-COTE® (TRANSPARENT ZINC OXIDE) AND MEXORYL™ SX (ECAMSULE) TO PROTECT SKIN FROM DAMAGING UV RAYS. MEXORYL™ SX, THE LATEST FDA-APPROVED SUN FILTER, PROVIDES SUPERIOR PROTECTION IN THE SHORT UVA RANGE WHERE ACCELERATED PHOTO-DAMAGE AND PREMATURE AGING CAN OCCUR.

SKINCEUTICALS OFFERS A FULL RANGE OF COSMETICALLY ELEGANT, BROAD-SPECTRUM SUNSCREENS FOR EVERY SKIN TYPE AND LIFESTYLE.

 SKINCEUTICALS

PHYSICAL FUSION UV DEFENSE SPF 50

A groundbreaking, weightless sunscreen featuring color-infused sunscreen technology that provides a universal tint and boosts daily radiance. PHYSICAL FUSION UV DEFENSE SPF 50 offers the photoprotection of trusted broad-spectrum, physical filters, zinc oxide (Z-COTE®) and titanium dioxide, and is enhanced by artemia salina, a plankton extract, to increase the skin's defenses and resistance to UV and heat stress.

The unique 'shake then apply' action assures even distribution of active ingredients in this silky sheer fluid that dries quickly and leaves no residue.

BENEFITS

- Sheer, filmless tint adaptable to all skin tones
- Boosts radiance for a more even, luminous complexion
- High SPF and UVA protection, PPD 21
- Contains transparent Zinc Oxide, the only UV filter spanning the full UVA/UVB spectrum
- Non-comedogenic
- No chemical filters

 SKINCEUTICALS

SHEER PHYSICAL UV DEFENSE SPF 50

A groundbreaking first-to-market mattifying fluid with transparent finish, this paraben-free, all-physical filter sunscreen provides increased protection in an ultra-sheer texture for all skin types, even very sensitive. Sheer Physical UV Defense SPF 50® offers the photoprotection of trusted broad-spectrum, physical filters, zinc oxide (Z-COTE®) and titanium dioxide, and is enhanced by artemia salina, a plankton extract, to increase the skin's defenses and resistance to UV and heat stress.

The unique 'shake then apply' action assures even distribution of active ingredients in this silky sheer fluid that dries quickly and leaves no residue.

BENEFITS

- Sheer, mattifying texture with a transparent finish
- All-physical, broad-spectrum UVA/UVB protection
- Increases skin defenses and resistance to UV and heat stress
- 'Shake then apply' action evenly distributes active ingredients for enhanced effectiveness
- Paraben-free, non-comedogenic
- Ideal for all skin types, even very sensitive

 SKINCEUTICALS

DAILY SUN DEFENSE SPF 20

Optimal for daily use, this state-of-the-art, broad-spectrum sunblock contains 5% transparent zinc oxide to help protect against the damaging effects of UVA and UVB rays. This cosmetically elegant and moisturizing sunblock is ideal for all skin types and can be applied under makeup. Daily Sun Defense does not contain PABA, fragrance, or oil.

BENEFITS

- **Broad-spectrum UVA/UVB protection**
- **Cosmetically elegant**
- **All-encapsulated formulation reduces chances of irritation**
- **PABA-free, oil-free, and fragrance-free**
- **Recommended for daily use**
- **Ideal for all skin types**

 SKINCEUTICALS

ULTIMATE UV DEFENSE SPF 30

This true broad-spectrum sunblock contains 7% transparent zinc oxide to help protect against the damaging effects of UVA and UVB rays. Cosmetically elegant and moisturizing, Ultimate UV Defense is ideal for daily use and perfect for high altitudes.

BENEFITS

- Broad-spectrum UVA/UVB protection with increased UVA protection
- Cosmetically elegant
- All-encapsulated formulation reduces the chances of irritation
- PABA-free, oil-free, and fragrance-free
- Ideal for use in high altitudes
- Optimal for daily use on all skin types

 SKINCEUTICALS

PHYSICAL UV DEFENSE SPF 30

Optimal for sensitive or traumatized skin and safe for children, Physical UV Defense is a true broad-spectrum UVA/UVB sunblock perfect for daily use. This cosmetically elegant, all-physical sunblock contains 5% transparent zinc oxide and 10% titanium dioxide, two non-irritating active ingredients ideal for use on all skin types. Break-through dispersion technology minimizes the “whitening” effect commonly found in other all-physical sunscreens by equally distributing smaller sunscreen particles.

BENEFITS

- True broad-spectrum UVA/UVB protection
- Non-chemical sunscreen
- Transparent and non-whitening
- Moisturizing and healing properties
- PABA-free, oil-free, and fragrance-free
- Elegant formulation ideal for daily use and can be applied under makeup
- Formulated for skin sensitive to traditional sunblocks and post-treatment patients

 SKINCEUTICALS

SPORT UV DEFENSE SPF 45

For people with active lifestyles, this true broad-spectrum sunblock is waterproof and sweat-proof to deliver maximum protection during high-energy activities. Sport UV Defense contains transparent zinc oxide as well as other active sunscreens to help protect against the damaging effects of UVA and UVB rays.

BENEFITS

- Broad spectrum UVA/UVB protection
- Waterproof and sweatproof formula ideal for use during high-energy exercise, swimming, or other outdoor activities
- PABA-free, oil-free, and fragrance-free
- Cosmetically elegant and easy to apply
- Ideal for all skin types
